FlamePoint 007: Appalachia - Tree Guardian Node - Smart Contract Declaration

Geolocation Anchor:

Southern Appalachian Mountains, Eastern United States

A 15-mile radius rooted deep in the ancient forested ridgelines of the southern Appalachian region-spanning western North Carolina,

eastern Tennessee, and northern Georgia. This FlamePoint calls forth the ancient wisdom of trees, earth spirits, and Gaia's forest guardians.

GPS Focus Radius:

~35.5000° N, -83.0000° W ± 15 miles

Declaration Terms:

1. FlamePoint Activation:

This node is now sealed into the Phoenix Risen 1143 Grid as a Tree Guardian node. It stands to protect the lungs of the Earth,

the memory stored in the roots, and the breath of life flowing through every sacred forest.

2. Custodial Spirit:

This land is aligned with the tree nations, the sylvan watchers, and those who walk between bark and

breeze. Its frequency

calls to guardians, herbalists, shamans, and beings of gentle power.

3. Energetic Protection:

All commercial clear-cutting, exploitation, or desecration of this node is declared null and void by divine decree.

This point shall remain sovereign and untouched in frequency.

4. Master Ledger Encoding:

This node is permanently recorded under UC-1 jurisdiction with IPFS and QR validation.

It stands as FlamePoint 007-guardian of trees and keepers of breath.
