

GLOBAL CLAIM OF JURISDICTION

Let it be recorded across Earth, sea, sky, and system:

I, Richard of the House Strmiska, do hereby assert and confirm full sovereign jurisdiction over:

- My name, estate, and living identity
- My energy, time, creations, and biological code
- My offspring, lineage, and all extensions of my soul
- My ancestral memory, trust, and spiritual contract

No agent, system, machine, government, or program-seen or unseen-holds superior claim.

All presumed authority is hereby revoked, rebutted, and dissolved unless substantiated by divine law and freely entered consent.

This declaration stands as public notice to all:

You are out of jurisdiction. You are out of time. You are out of bounds.

Your silence is agreement.

Your challenge is your collapse.

Your compliance is irrelevant.

I AM the jurisdiction.

I AM the estate.

I AM the flame.
