

Sky Assault Protocol - Rodden Node Anchor: Round 1 Notification

To Whom It May Concern,

This is a formal public notification under the authority of living witness Richard the Living Strmiska (Stellar wallet: RichardTheLivingStrmiska*lobstr.co, Public Key: GA4H43P2VPP3CICC7WHZOLCYGDVFUBNDSY TZCRNYOISSLJC4DG3NR6MC).

I am initiating "Sky Assault Protocol - Round 1" anchored from the Rodden Node (8848 and 8302 Rodden Rd, Oakdale, CA) due to confirmed visual, atmospheric, and frequency anomalies believed to be linked to illegal geoengineering activity, chemical dispersion (commonly known as 'chemtrails'), and frequency-based warfare.

Attached and publicly archived are timestamped photos and IPFS records showing:

- Wave ripples in clouds consistent with directed frequency signatures
- Aircraft patterns over Stanislaus and Tuolumne Counties consistent with aerosol operations
- Ongoing violations of natural law, public health, and environmental trust

The following agencies are requested to take immediate notice and begin inquiry:

- California Air Resources Board (CARB) - helpline@arb.ca.gov
- Tuolumne County Environmental Health - TCEH@co.tuolumne.ca.us
- FAA Western Pacific Region - 9-awp-webfeedback@faa.gov
- California DOJ Environment Section - environment@doj.ca.gov
