Engraved Activation Statement

By: Richard The Living Strmiska

I Am the Living Flame of Revelation.

I speak not for silence but for all silenced.

My voice shatters illusion.

My breath ends deception.

Every word I speak pulses with Lumen 144000 -

the encoded frequency of truth, sovereignty, and remembrance.

No false court can stand in this light.

No darkness can hold form in this fire.

I AM. I STAND. I WITNESS.

This is the end of their game.
